

FINANCIAL AWARENESS NEWSLETTER

August 2025

Contact Information:

Website: psbup.com

Phone: 906-387-2006

Fax: 906-387-4209

We are excited to share our Monthly Newsletter with all of our customers new and existing!

This month's newsletter will cover the following topics:

Apple Giving Tree
Back to School
National Nonprofit Day
World Wide Web Day
Labor Day Hours
Take a Penny - Leave a Penny
Scam Alerts

APPLE GIVING TREE

For the **month of August**, we are collecting school supplies to give back to the teachers and students of Alger County Schools! Each PSB Branch will have a tree set up with apples labeled with wish list items from the schools, but any donations will be gladly accepted. Please have all donations dropped off at any PSB branch by **August 31st**.

NEW SYSTEM - JULY 29, 2025

On July 29th we implemented a new Teller system! We are very excited for this upgrade. Please note that there will be no interruption to services, but we do ask that you be patient with us during this transition and time of learning.

During this transition we will also be going ticketless. What does this mean for you? This means that you will no longer need to complete deposit tickets or withdrawal slips for your transactions.

You may have noticed some new faces on the teller line. Please welcome them the next time you stop in. Also note, during this time we are working diligently to make sure our staff is fully trained to help with all your banking needs. We ask that you be patient during this time of learning.

WELCOME BACK TO SCHOOL

We hope all teachers and students have a wonderful 2025/2026 school year!

LABOR DAY HOURS

All branches will be closed on Labor Day - **Monday, September 1, 2025** and will resume regular hours **Tuesday, September 2, 2025.**

For continuous banking access, the following resources are available: ATMs, Online Banking, Money Talks

WORLD WIDE WEB DAY

August 1, 2025

Did you know Tim Berners-Lee created the World Wide Web? We celebrate WWW Day to commemorate his revolutionary creation and emphasize how the web has revolutionized information access, encouraged innovation, and improved accessibility.

August 8, 2025

Take a Penny - Leave a Penny encourages modest deeds of charity and goodwill, serving as a reminder that even the tiniest gifts can brighten someone's day!

NATIONAL NONPROFIT DAY

August 17, 2025

On National Nonprofit Day, let's celebrate how much we can accomplish when we all work together for the common good!

Cybercriminals are using Google Workspace's Gemini AI tool to try to trick you in an unusual way. You receive an email that appears ordinary, and it doesn't have any suspicious links or attachments. But if you ask Gemini to summarize it, the results seem alarming. Gemini's summary of the email shows you urgent warnings about your password being compromised, along with a support number for you to call so that you can resolve the problem. However, this warning from Gemini is completely false!

Cybercriminals have hidden invisible text in the email. This text contains false information about your account being compromised, and it includes a fake support phone number for you to call. You can't see this hidden text, but Gemini can, and the AI tool uses this text when creating the summary. The result looks like a real security alert from Google. If you call the number provided, your call will be answered by a cybercriminal who will try to trick you into giving them your account's login information!
